

## Makes Grow

We are talking about Ayer's Hair Vigor. Just note that word "Ayer's." You are perfectly safe with it. No harm to you or to your hair. Makes the hair grow? It certainly does. Stops falling hair, too. Remember, it's "Ayer's" we are talking about. Ask your doctor about your hair and about Ayer's Hair Vigor. Get his approval. Your own doctor and "Ayer's" make a strong combination. It means faith, confidence, satisfaction.

## Ayer's Hair Vigor DOES NOT COLOR THE HAIR

Republican Effort to Confirm Nominations Encounters Firm Majority.

FISHER IS WILLING TO STAY

But Report That Wilson Is Urging Him Is Not Exactly the Situation.

treasury department made a favorable ence. treasury department made a favorable report on the proposed increase and efforts are under way to persuade the house committee on public huidings and grounds to make a favorable report. Whatever happens in the house, there will be an effort to get the

While there is considerable activity now and then in the committee on Pacific Islands and Porto Rico on the renomination of Governor Frear it virtually comes to nothing. There is no better prospect than there has been for favorable action on the nomination. The Democrats of the senate have no idea of confirming that or any other similar nomination at this session of congress. They purpose to fill the office of Governor of Hawaii with a Democrat as soon after March 4 as they can persuade President Wilson to send in a nomination. Democrat Wanted.

nomination. No Confirmations.

McDUFFIE ANNOUNCES
COMING BY WIRELESS

Having in custody Goo Tai Chong, alleged embezzler of \$51,000 of First National Bank funds, Chief of Detectives Arthur McDuffie will arrive here Tuesday morning from Japan. Acting-Chief John Kellett received a wireless from his superior yesterday morning, with the assurance of his presence on board the Pacific Mail liner Persia.

There has been a semblance of industry in the senate, It seems that the deadlock over confirmation has been broken. The Democrats have above the Pacific Mail charge in the deadlock over confirmation has been broken. The Democrats have appearently won. For two or three days the Republicans pitched battle trementational Bank funds, Chief of Detectives are locked till into evening and the orators sprang to their tasks. The net result was six votes on roll dall and three demands for a quorum. Democrate have a deadlock over confirmation has been broken. The Democrate have appearently won. For two or three days the Mid-Pacific Carnival has issued the following notice of line of march on Floral Parade Day and place of assembling for each division, as follows:

Line of March.

From Executive Ruiding to King street, to Fort street, to Beretania to make the rest of the session a talk-ing match and leave other legislation to be cared for at the extra session. There has been a semblanes of in-

There have been numerous efforts to single out certain nominations to be 1:30 p.m. confirmed, but things have come to such a pass that none may be con-firmed. That is rather declorable for many scores of the nominations really ought to be disposed of, whatever the merits of the postmasters' cases may be. E. E. Clark, nominated for another term as interstate commerce com missioner, ought to be confirmed, but his case is in allevance because of the general compaign of opposition. Charles P. Neil, commissioner of labor, another efficient public servant, went out of office February 1, because the senate

inations pertain to effices where the incumbents are not allowed to hold over till their successors are nominated and confirmed.

Page Bill Passed.

The senate, although at a standstill on confirmations, has been pegging away at other business. Last week it passed the Page bill for vocations and education. This is an important measure, which will call for an expenditure of about \$12,000,000 annually for extension of agricultural education, throughout the country. Farmers would be given opportunity to learn about scientific farming and their sons and daughters would be provided with a stand and and analysis of the stock of ten, fifty and five shares, starting at 46.25, a decline of the stock exchange the sudden decline in Hawaiian because the stock of ten, fifty and five shares, starting at 46.25, a decline of the service shares starting at 46.25, a decline of the stock exchange the sudden decline in Hawaiian position.

Band and all those intending to march, enter by Richard street gate and take up position under throughout the country. Farmers would be given opportunity to learn about scientific farming and their sons and daughters would be provided with the first passed.

Bircctions for Assembling.

Automobiles enter Executive Buildang grounds by Hotel street gate, turn to left and will be assigned position.

The senion of the stock exchange the sudden decline in Hawaiian Princapple. There were three transactions in this stock of ten, fifty and five shares, starting at 46.25, a decline of the stock was a starting at 46.25, a decline of the stock was a starting at 46.25, a quarter decline, while MBryde was steady at 450. In bonds \$3000 of Hawaiian Irrigation 6s. The lot is bound by School to the fact of the stock exchange the sudden decline in Hawaiian free and take up position in front of Buscher, enter by Richard street gate, turn to left and will be assigned for the stock of the stock exchange the sudden decline in Hawaiian transactions in this stock of ten, fifty and five shares, and promptly going to 45,00 be given opportunity to learn about scientific farming and their sons and daughters would be provided with fa-cilities in high schools and colleges for learning how to till the soil to the best possible advantage. Hawaii shares in the provisions of the measure. This bill will hardly become law at

this session of congress, apparently, be-tarse of opposition in the house. The latter body, however, has macted a semewhat similar bill and the effort will be made to combine the two in some fashion in conference. From this time on the senate must bend to the time on the senate must bend to the apprenriation tills, now coming over rapidly from the house. And yet time has been found to dispose of the proposed amendment to the Constitution, limiting the term of the President of the United States. This has yet to be pussed upon by the house, where the consideration of business is so great, consideration of business is so great, consideration of proposed containing the term between the consideration of proposed containing the term between the consideration of business is so great, consideration of proposed containing marching in the parade enter at Richard street gate.

Those contemplating marching in the parade enter at Richard street gate and take up nosition in front of hugalaw.

Parade starts at 1:30 a lelock.

# MARKET IS ATTACKED

"Not a d— thing," said the reporter, bonestly.

"What do you know about it?" he asked of the congressman.

"Not a d— thing," replied the congressman. with equal honesty, "So we can make up a cabinet to suit our selves, can't we?"

They sat down and made up a cabicet, just as a matter of fan and the next day that cabinet list appeared in half a dozen castern papers as the real thing. Of course it was a "fake," pure and simple but it started things somewhat at Trenton and out of the Jersey capital came a story the following day which undoubtedly was from the President-elect himself and indicated that he was getting down to the point of deciding.

The Fisher Talk.

Bears Make Raid and General Reduction Follows All

Along Line.

"New YORK, February 13.—(Special to The Advertiser)—Canadian Pacific dropped three points at the opening to the Jersey capital came a story the following day which undoubtedly was from the President-elect himself and in holding out a good deal of long stock. High grade investment snares which ordinarily displayed sturdy restock. High grade investment snares which ordinarily displayed sturdy revisience to pressure, tumbled away as readily as the market leaders. A large number of important issues were low-

ered one to over three points.

Bonds were weak.

Quietness followed the active selling of the morning and there was a large buyer, taking about 25,000 shares. While there was no brisk demand for stocks in the latter part of the day, short covering was extensive enough to keep the market mere stable. Union Pacific and Steel, ruled a point above their lowest.

Analysis of the day's movement showed a larger proportion of material losses in the mactive stocks than ordi-

narily occurs.

The market closed steady.
Another break of selling in Canadian Pacific which increased its loss to ever four points was disregarded by the general list, which made further progress upwards. Southern Pacific was abortish and did not recovered.

sluggish and did not recover appreciably. Union Pacific was in the foreront of the rally as were Reading and
